MAY MISSION EMPHASIS Arkansas Baptist Children & Family Ministries

Arkansas Baptist Children & Family Ministries is an agency of the AR Baptist State Convention and serves families all across the state. In 2019, they celebrated 125 years of service to Arkansas.

This care comes in the forms of campus care for children and teens, family care for single mothers with children, foster care, and counseling services to children, couples and families.

When the church invests in healthy childhoods, the result is healthy families, and healthy families produce healthy churches. When families are strengthened, communities are transformed.

Prayerfully consider your gift to support this ministry.

But as for me, I watch in hope for the Lord, I wait for God my Savior; my God will hear me. ~ Micah 7:7

WHY BIBLE STUDIES?

Our church was birthed primarily from the Mizpah Bible Study Class of Balboa Baptist Church, taught by Jerry Thompson and James Graves.

Deuteronomy 31:12 teaches: “Gather the people together, men and women and little ones, and the stranger who is within your gates, that they may hear and that they may learn to fear the LORD your God and carefully observe all the words of this law.”

The New Testament church was built on teaching and preaching (see Acts 5:42).

The purpose of our weekly Bible studies is to reach people so we can teach them, win them to Christ, and then care for them. They are the best-structured and resourced ministry for carrying out the ministry of Christ.

1. Our Bible studies are the **REACHING** arm of our church.

“Reaching” is basically pre-evangelism. It is making contact with someone and helping them listen carefully to the gospel. In Deut 31:12, it’s expressed in the word “gather.” Most of us have someone within our influence who is a stranger to Bible study and could be gathered into it.

2. Our Bible studies are the **TEACHING** arm of our church.

“Teaching” means guiding the learning activities. Deut 31:12 expresses this through the words, “that they may hear and that they may learn.”

3. Our Bible studies are the **WINNING** arm of our church.

“Winning” involves communicating the gospel in an understandable way and offering a person the opportunity to respond to Christ with faith and repentance. In Deut 31:12 the expression “fear the Lord” is a concept of salvation through reverential trust of God.

4. Our Bible studies are the **CARING** arm of our church.

One objective of weekly Bible study is to care for someone so they will “carefully observe all the words of this law” (Deut 31:12). Some call this nurturing; others call it maturing or discipling.

Our weekly Bible studies are the reaching, teaching, winning and caring arms of our church. Each function is crucial. A healthy Bible study ministry performs **all four basics.**

Please pray for and support all of our weekly Bible study teachers, including the new classes, as we work to reach, teach, win, and care.

Eclipse Fellowship – April 8

On April 8, members and invited guests viewed the total solar eclipse from our church parking lot. Some arrived early to play games and visit in the atrium. Several officers from the HSV PD stopped by for a snack and a photo op (top left). Despite threats of bad weather, the afternoon was clear, and the eclipse was spectacular!

During the preceding week, as an outreach to the local community, we distributed 500 pairs of eclipse safety glasses imprinted with John 3:16 and our church name and contact information.

National Day of Prayer—Thursday, May 2

The National Day of Prayer observance was created in 1952 by a joint resolution of the U.S. Congress, and signed into law by President Truman. Each year since then, amended in 1988 to be the first Thursday of May, our President has called upon the citizens to pray.

As in past years, the Village Church of Christ, 210 Balboa Road, is hosting a period of fellowship and prayer. Breakfast is at 8:30am, followed by the program at 9:30am. The program will include prayers, scriptures, and patriotic songs. All are invited to attend this period of prayer and thanksgiving for our nation.
