Do April Showers Bring May Flowers?

You have heard it and probably said it: “April showers bring May flowers.” Certainly, we have had more than our share of April showers in the Village this year. Now we await the May flowers. However, for some, the pollen brings May hay fever and allergies!

In the Sermon on the Mount (Matthew 5), Jesus turns His teaching from the disciples’ relationship to the world, to how to reflect Kingdom living in our relationship to each other. He gets very personal, practical, and specific as he talks about anger, resentment, opponents, sexual fantasies, marriage, promises, hospitality, and even financial loans in Kingdom living.

In v. 45, Jesus teaches that rain (as well as sunshine) is part of every person’s experience. Difficulties, challenges, pain, and troubles invade our lives. We don’t seek them; they just come. It may be the result of a decision we made (or didn’t make), or someone made for us. It may be the consequence of our fallen world. Nevertheless, the rain falls (sometimes in flooding torrents).

So what about the flowers? Will they always follow the rain? Not necessarily.

The sun does rise on the Christ-follower, as well as the lost. However, remember that this world is not all there is to life. There is an eternity that follows this brief season on earth. For the one not following Christ, there will be darkness, aloneness, separation, and anguish. For the follower of Christ, there will be light, fellowship, comfort, joy, forgiveness, and love.

Several years ago, Emily began her undergraduate studies at seminary. As a teenager she had a call to gospel missions. She had already traveled to help with VBS in Oklahoma, as well as missions to Belize and Guatemala. She had an honest, joyful, infectious laugh and smile.

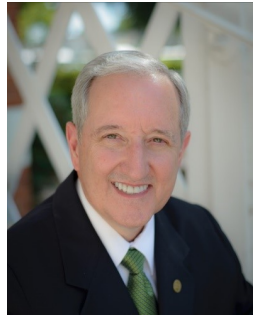

During the 2017 Christmas break, Emily traveled with her brother, cousin, and a friend on her third trip to Nakuru, Kenya, to share the gospel with young people. While serving she developed a blood clot in her lungs. At the age of 21, she died among the young people for whom God had given her a deep love. After her family navigated the complexities of returning her body to America, it arrived in a beautiful handmade wooden casket. It was crafted by the people as an expression of their gratitude and love for her young life and compassion for them in Jesus.

As the sanctuary filled for the celebration of her life, the theme was **Romans 8:18**. This reference was tattooed on Emily as a reminder before she came to seminary.

When the torrential rain floods your life, turn to Romans 8:18 and anticipate the Son breaking through the clouds. The flowers will burst forth for the Jesus-follower.

“For I consider that the sufferings of this present time are not worthy to be compared with the glory that is to be revealed to us.”

Dr. Dennis Phelps

MISSIONS

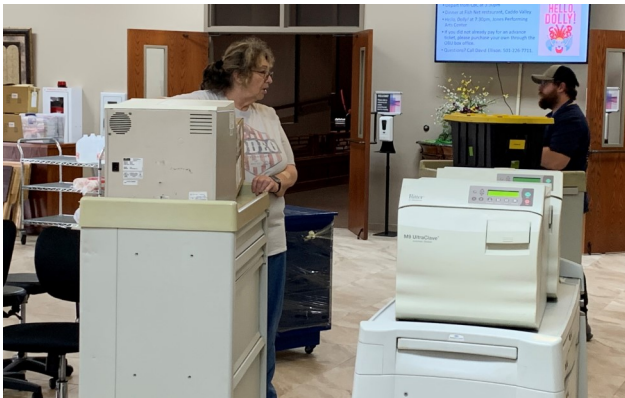

ABSC FREE DENTAL CLINIC AT CBC

Our church hosted a free clinic for the community on Saturday, April 5, in cooperation with the Arkansas Baptist State Convention. The clinic was funded by our annual Dixie Jackson state mission gifts.

The day before the clinic, a team of ABSC staff and volunteers from around the state rolled in with a truck full of equipment. With help from CBC members, they efficiently set up registration, waiting, treatment, and discharge areas, as well as a room for one-on-one evangelism. Later, they trained over twenty-five CBC members to help at the clinic.

When volunteers arrived at 6:30am on Saturday, six patients already were waiting in the parking lot, although registration did not begin until 8:30 and the Village was under flash flood warnings. Patients traveled from as far away as Pine Bluff, Fort Worth, and Tulsa. They included people of all ages.

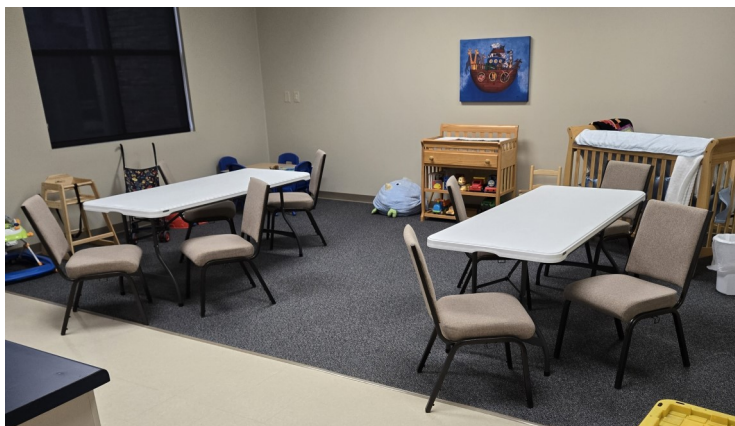

Professional services were provided by two retired dentists, one hygienist, two pharmacists, several pharmacy students, and assistants. Also, three retired nurses from our congregation helped with triage. Despite thunderstorms, tornado

watches, and a brief power outage, the final patient was discharged by 3:00pm.

In total, about fifty patients were treated. Services included seventy X-rays, eighteen cleanings, and fifty-four extractions. Medications were dispensed to thirty patients. The estimated value of these services is **\$18,620!**

Our members shared the gospel on site with each attendee personally. **Praise God for the four professions of faith that were reported.** Also, each person was contacted personally by our CBC follow-up team after the clinic. Please pray for all those who attended and for the ABSC Missions team.

Thank You!

A heartfelt and special thanks to Marsha Allen. You have faithfully, skillfully and prayerfully led us in worship as our pianist since 2023. Your ministry to us has touched our hearts, our lives, and our souls as you gave strength to our voices by playing the melodies we sang. We will miss you, but are excited for you as you continue your service to God by walking alongside Doug as he serves as interim pastor of First Baptist Church, Dumas, AR. We will pray for you and Doug as you minister together in Dumas.

A big thank you to the Coronado choir, guest singers and accompanists for the hard work, effort and time you put in to make our Easter morning service a meaningful time of worship. You told beautifully the gospel story beginning with the trial and judgment of Jesus, His crucifixion and burial and ending with His resurrection. Christ is risen! He is risen indeed! ~Pastor Dale Clancy, Choir Director

Thank you to Larry Scott (in the lift) and Mike Dill, who worked early and late to cover the foyer apex window blown out by high winds in March.
